

## CONGRATULATIONS TO UNDERGRADUATE SCHOLARSHIP AWARD WINNER CHRISTOPHER VISSOTZKY!

In 1983 when Bill Freeman was Vice-President of Quality Service for Rosewood Hotels, Alex Seymour gave him the opportunity to facilitate a series of one day seminars over a week's time.

Alex said he hadn't seen a workshop run like that before and encouraged Bill to go into business for himself. His words and continued encouragement were a contributing factor to Bill's decision to form **FreemanGroup**. That is one reason why Bill has a particular affinity for HANT.

We are grateful for the opportunity to attach the **FreemanGroup** name to this scholarship and we look forward to a long relationship with the Hotel Association of North Texas.

We are excited to award the 2010/2011 Undergraduate Scholarship Award to Christopher Vissotzky, who received a check for \$5,000 and will be attending Texas Tech University.
